To Whom It May Concern:

My projects team has worked with Kevin Clark and Kevin Clark Electrical Services LLC on numerous commercial construction projects in and around the greater New Orleans area over the past two years. During that period, Kevin has demonstrated his professionalism and keen business acumen on numerous occasions. It is always a pleasure working with someone who is continuously looking to improve themselves and their business practices.

Kevin possesses those characteristics that exemplify what it means to have integrity in business. I cannot think of anyone more deserving of a business loan through the Hope Foundation than Mr. Clark. There is no doubt in my mind that investing in Kevin Clark will yield incremental benefits for the local community for years to come.

Please feel free to contact me directly with any questions or concerns.

Sincerely,

Richard Bernard
