To Whom It May Concern:

For over 6 years, Kevin Clark Electrical Service has been responsive to all our emergencies to maintain our Potassium Hydroxide Production facility in Chalmette, Louisiana.

They have responded to all our emergency calls promptly and minimized down time. Their technicians are knowledgeable, efficient and courteous.

Emergencies ranging from any type of electrical failure by pump, motor or VFDs are quickly resolved through their troubleshooting practices. Whether it is a repair or replacement, we can depend on their expertise.

Sincerely,
